Recipe #1:

- 3 Tablespoons hot sauce
- 3 raw eggs
- 3 Tablespoons of minced garlic

Blend all ingredients together in a blender and add a little bit of water to lessen the thickness. Then, add the mixture to 1 gallon of water and spray on your plants.

Recipe #2:

- 4 Tablespoons of ground cayenne pepper
- 1 cup white vinegar
- 2 cups water
- 1 cup clear ammonia
- 3 heads of garlic, peeled
- 1 cup oil soap

Mix together the cayenne pepper and white vinegar; bring to a boil. Boil for one minute, then strain the mixture through a coffee filter. Blend together garlic and water, then strain the mixture through a second coffee filter. Combine both strained mixtures, ammonia, and oil soap, and add the liquid to 2 1/2 gallons of water. Spray on your plants.

Recipe #3:

- 1 egg
- 1/2 cup milk
- 1 Tablespoon of dish soap
- 1 Tablespoon of cooking oil

Blend all ingredients together, then add to 1 gallon of water and spray on your plants.

Recipe #4:

- 1 cup sour cream
- 1/4 teaspoon liquid dish soap
- 2 eggs, beaten
- 1/4 teaspoon cooking oil
- 20 drops clove oil

Add all ingredients to 1 gallon of water and shake well. Spray on your plants.

Recipe #5:

- 1 egg yolk
- 1 Tablespoon baking powder
- 1 liter of water

Blend all ingredients together and spray on your plants.
