

## Garden Plants Good for Goats and Chickens:

- Beans (entire plant is edible)
- Beets and Mangel Beets
- Broccoli
- Brussell Sprouts
- Cabbage
- Carrots
- Corn (the entire plant is edible)
- Jerusalem Artichokes (entire plant is edible)
- Lettuce
- Melons (rind and all are edible)
- Peas (vines and all are edible)
- Pumpkins
- Rutabagas
- Squash
- Sweet Potatoes
- Swiss chard
- Turnips

Of course, all things should be introduced a little at a time; their diets should never be drastically altered.
