

Kitchen "Miracle" Cleaner

How to clean your cookie sheets - Kitchen "Miracle" Cleaner!

You put about 1/4 cup of baking soda in a small glass bowl and squirt in hydrogen peroxide until it makes a nice paste.

Then you rub it on the offending dirt/stain/grease...whatever! You can usually just use your fingers...but you can also use a small sponge as well.

Let it sit for a couple of hours or even overnight to work.
